Jeff Friedenstab
Deputy Director of Fire Services

3-7-2018

Iron Mountain Fire Department will be holding an Aerial Ladder Operators course.

The course dates are April 2nd, 4th, 9th, 11th, 18th, & 20th and the course times will run from 9am to 1530pm (all times are central) these are 6hr days to match the course blocks.

This course is put on through cooperation between IMFD and Northeast Wisconsin Technical College (NWTC) out of Green Bay.

There will be NO course fee to attend however students will be responsible for providing their own book.

IFSTA - Pumping and Aerial Apparatus Driver/Operator 3rd Edition

****NOTICE** Michigan does not have an approved Aerial Course so the certificate issued at the end of the course will be from NWTC.**

Please see the attached lesson plan for additional information.

If interested in attending please call the IMFD station (906-774-0622) and reserve a spot as soon as possible.
